How Credit Unions can benefit clients

St Machar Credit Union (SMCU) and the Grampian Credit Union are working with The Broomhill Nursery Charity to help families with children under 5 years of age in Aberdeen City.

Easy to Contact

Promotes a 'Saving Mindset'

Empowers Families

They are a preferable option to expensive money lenders.

Affordable Loans

When paying back the loan a percentage goes into a savings account.

Helps Families Budget

Credit Unions are another link in valuable support networks e.g. Cash in Your Pocket Partnership (CIYPP).

Everyone is Eligible

Through the Credit Union scheme, the finances of the client are assessed and with budgeting help the CU may be able to purchase the white goods on behalf of the family.

Credit Unions Work Closely with the Community and Businesses

Through CIYPP, they can promote available special and free offers e.g. reduced price computers, white goods, central heating (Scarf & Care and Repair).
